
ONEALDWYCH

Welcome to our cultured, independent hotel at the beating heart of London life.

One Aldwych is one of the very few hotels in London, (or indeed the world) that can say it is truly independent. This is our home, and everything we create and curate is for the delight of our guests in this singular beautiful building, at the centre of Covent Garden, London's most exciting neighbourhood.

The building's art nouveau curves sit easily with the modern luxuries of this contemporary, forward-thinking hotel. Designed to be more than just a place to lay your head, One Aldwych embraces a stylish character ready to host, cocoon and enchant. Art is an integral part of the hotel's interiors, with original pieces in every room and suite, a part of the 400-strong private collection.

To sleep

Our bedrooms and suites have their own defining characteristics and potential configurations that can easily be adapted for family stays.

In our restaurant, we are sure we can entertain even the most particular palettes with dedicated children's menus working with the same inventive flavours and quality ingredients as our 'grown up' versions.

For a little extra touch of magic, we invite you to become Charlie in the Chocolate Factory, with a very different Afternoon Tea inspired by Roald Dahl's famous story.

Wellness

The Health Club is home to a discreet and spacious gym, fitted with the latest technical equipment from Technogym and Peloton, free weights and stretching space. Our biggest secret is our chlorine-free 18m/60ft lap pool for an underwater experience without the usual harsh chemicals, as well as a sauna and steam room.

Our spa treatments are an indulgence for body and mind. Therapists approach each session as a highly-personalised ritual, with products from the Spanish skincare specialist, Natura Bissé and the leading British skincare brand, OSKIA.

Our Impact

Since we opened our doors in 1998, caring for people and planet has been at the heart of operations, with responsible and thoughtful decisions playing an integral role in every aspect of the hotel. Now proudly a certified B Corp™, the first and only five-star hotel in London to achieve this recognition, we continue to lead and innovate with energy-saving initiatives, while actively engaging with our community to nurture conscious and sustainable practices. From beehives on our roof to our chlorine-free swimming pool, sustainability has always been a core value, not just a buzzword.
