

CHAMPAGNE & CHEESE

This season, we're celebrating the heritage of Champagne Bollinger, a house renowned since 1829 for its distinctive character and dedication to craftsmanship. Every bottle reflects nearly two centuries of family tradition, artisanal expertise and a deep respect for the land and community - values we share as fellow B Corp Certified™ brands. Here we have paired it with a trio of artisanal British Cheeses to be enjoyed throughout the festive season, although especially good with the enchanting sound of live music every Thursday and Friday.
